MORE INFO

Bring it:

Umbrellas, chairs, shade hats etc.
As many happy friends as possible.

How will the weather be?:

Sometimes rain happens for a few minutes and then it is game on again! We expect some rain but we have partied like this before. Temps will be in the 70s so we might enjoy a few summer drops but tacos will flow as soon as it stops!

Don't bring it:

Glass, outside food/beverage including camel packs. No weapons of any kind. Security will be searching bags. Really, we are not being jerks. Unfortunately lots of underage drinking happens this way. Pets. (unless they are registered for the race and have made arrangements with organizers.)
